- The Tester hereby declares that he is a competent kite surfer, is aware of the potential dangers and is able to safely control a kite.
- It is strictly forbidden for the Tester to allow anyone else to use the equipment he is borrowing from the Lender. The Tester confirms that he has received the kite and/or board in good working order.
- The Lender is not liable for any material defects, whether on the kite and/or board or any other equipment owned or in use by the Tester. The use of adequate safety equipment (helmet, protection, buoyancy vest) is recommended.
- The Tester understands that he is using the kite and/or board at his own risk and responsibility. The Tester is liable for any damage to the kite and/or board which is caused by improper use.
- The Lender accepts no liability whatsoever for the consequences of any accidents or damage caused by the Tester while using the kite and/or board.
- In particular, the Lender accepts no liability for damage to equipment or to the Tester's person, or for any damage caused to a third party while using the kite and/or board. The Tester agrees to accept all responsibility for claims from third parties.
